MANAGEMENT

AMPEX BOARD OF DIRECTORS

- JOHN P. BUCHAN - (See Ampex Officers' listing.)
- H. S. M. BURNS - Formerly president and chairman of the executive committee, Shell Oil Company, retired 1960; life member of the board of directors of American Petroleum Institute; director of General Dynamics Corporation.
- WILLIAM BLACKIE - Chairman of the Board and Chief Executive officer of the Ralston Purina Company; director of First National Bank of Chicago and the Shell Oil Company.
- RICHARD J. ELKUS - Chairman of the board of U. S. Leasing Corporation, San Francisco; formerly vice president and director of Wells Fargo Bank.
- ARTHUR H. HAUSMAN - (See Ampex Officers' listing.)
- ROY G. LUCKS - Formerly chairman of the board, and former president of Del Monte Corporation (formerly California Packing Corporation), San Francisco; director of Bank of California, N. A. , and Standard Oil Company of California.
- HENRY A. MC MICKING - (See' Ampex Officers' listing.)
- NATHAN W. PEARSON - Vice president and member of the board of governors of T. Mellon & Sons, investment management.
- ALEXANDER M. PONIATOFF - (See Ampex Officers' listing.)
- A. E. PONTING - Chairman of the executive committee of Blyth & Company, Inc., investment bankers; director of Northrop Corporation, and Rheem Manufacturing Company.
- WILLIAM E. ROBERTS - (See Ampex Officers' listing.)
- DR. FREDERICK SEITZ - President of National Academy of Sciences, Washington, D. C., President of Rockefeller University.

AMPEX OFFICERS

WILLIAM E. ROBERTS

- Attended Lake Forest College and Northwestern University; 1936 Bell & Howell Company, Chicago, assistant treasurer, 1949 second vice president, 1953 executive vice president, 1960-1961 director; 1961 - present Ampex Corporation, president and chief executive officer and director; also director of Wells Fargo Bank, Raychem Corporation, Mandrel Industries, Inc., and R. R. Donnelley & Sons Company.

ALEXANDER M. PONIATOFF

- Prior 1944 Joshua Hendy Iron Works, Inc. , Sunnyvale, California; engineer, General Electric Company, Inc. , and Pacific Gas & Electric Company, Inc. ; associate, Dalmo-Victor Corporation, San Carlos, California; 1944 - present Ampex Corporation, founder of corporation, president, 1955 chairman of the board and director.

HENRY A. MC MICKING

- Partner in Ayala Associates, private investment company; director of Transamerica Corporation, Shasta Corporation, and American General Insurance Company; 1960 - present vice chairman of the board of directors, Ampex Corporation.

JOHN P. BUCHAN

- Graduate of Walton School of Commerce, Chicago, and University of Chicago; 1946-1961 Bell & Howell Company, latterly vice president and treasurer; 1961 - present Ampex Corporation, 1961 vice president, 1966 group vice president and director, 1967 executive vice president; 1967 chairman of the board of Mandrel Industries, Inc. ; member of Financial Executives Institute, Financial Officers of Northern California, Security Analysts of San Francisco. Ampex divisions/functions reporting directly to Buchan: Mandrel Industries, Inc., treasurer, controller.

ARTHUR H. HAUSMAN

- 1944 University of Texas MS, 1948 Harvard; 1948-1960 U.S. Government Department of Defense, Washington, D. C. ; 1960 - present Ampex Corporation, 1960 vice president, 1966 group vice president and director, 1967 executive vice president. Ampex divisions reporting directly to Hausman: research and advanced technology, computer products, Videofile.

AMPEX OFFICERS (continued)HENRY W. WEST, JR.

- Occidental College, graduate of Stanford University and Stanford Law School LLB; World War II U. S. Army; 1955 California Bar; 1955-1960 Convair Division of General Dynamics Corporation, San Diego, California, assistant general counsel; 1960 - present Ampex Corporation, 1962 secretary and general counsel, 1965 vice president, 1966 group vice president, general counsel and secretary. Ampex functions reporting directly to West: employee relations, labor relations, public relations, staff manufacturing operations, Ampex Service Company, compliance and facilities service, patent and legal.
