Ampex has a complete line of highest-quality speakers designed for every listening taste and for every budget. From the thrilling, flawless clarity of their sound to the beauty of fine-furniture cabinets, Ampex speakers reflect devotion to quality. Whichever system you select, you are sure to enjoy them for many years to come.

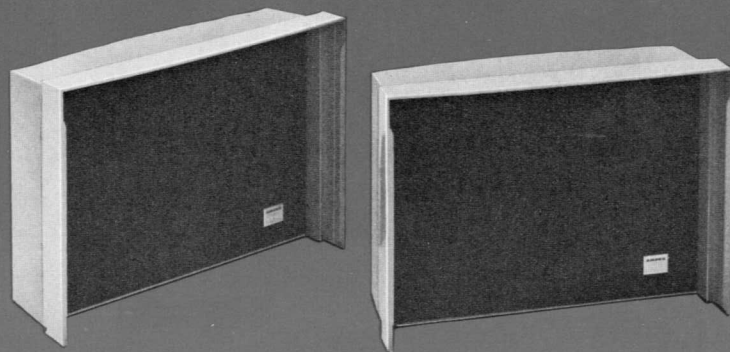

MODEL 813

\$29.95 (pair)

Custom-designed to slide onto any Ampex tape recorder. Each enclosure holds one 6" x 9" dual-cone extended-range speaker that gives excellent response from 100 to over 10,000 cps. 10 foot cords with molded jacks provide up to 20 feet stereo separation. High-impact light tan plastic; dark brown grille.

WEIGHT: 3½ lbs. per pair IMPEDANCE: 8 ohms MAXIMUM CAPACITY: 10 watts

MODEL 1113

\$49.95 (pair)

Similar to Model 813 in appearance, these speakers offer better response at both the high and low ends of the frequency spectrum. Each enclosure contains one 6" woofer and one 3" tweeter—has excellent frequency response from 70 to 13,000 cps. Each unit comes with 10-foot extension cord with molded jack input.

WEIGHT: 4 lbs. per pair IMPEDANCE: 8 ohms MAXIMUM CAPACITY: 10 watts

MODEL 1110

\$99.95 (pair)

Although designed to match all current models of Ampex recorders, this portable speaker system is perfect for any recorder . . . can be used in virtually any sound system! Each enclosure contains 5½" woofer, 5½" full range speaker and 2½" tweeter. Frequency response covers the full range of audible frequencies. Each enclosure has a 2-position attenuator switch allowing control of the degree of high frequencies produced. Die cast frames make the 1110 rugged and highly portable. Light tan vinyl clad case; enclosures join to form attractive luggage piece. Each unit comes with 15' extension cord with molded jack; speaker port accommodates cord when not in use.

DIMENSIONS: 18" x 13½" x 7½" (closed); IMPEDANCE: 8 ohms MAXIMUM CAPACITY: 15 watts

Compact Bookshelf

MODEL 815 **\$59.95 (pair)**

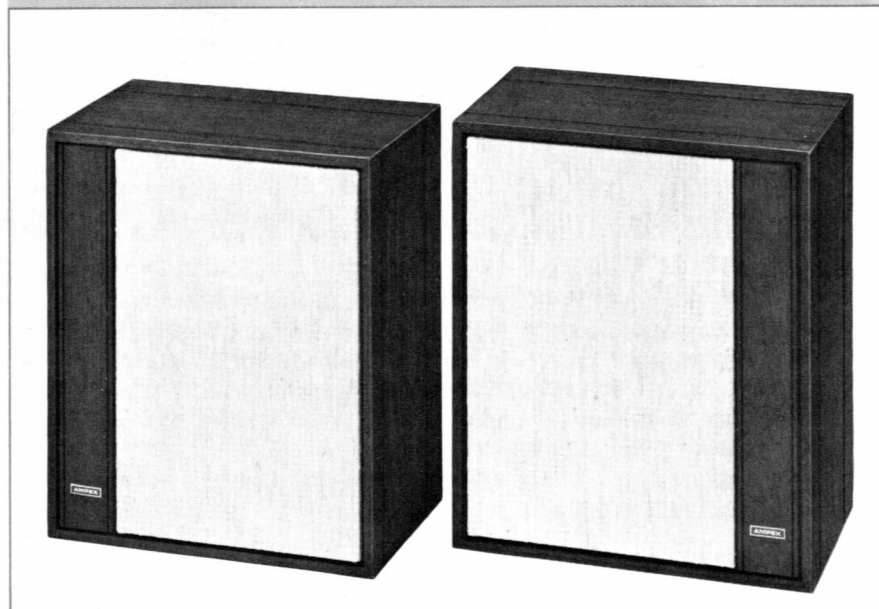

Amazingly fine sound from a very small cabinet! Each solid walnut fine enclosure contains an extended range 6" woofer and a brilliant 3½" tweeter, acoustically matched to provide clean sound from 50 to 15,000 cps. Acoustical suspension and fiberglass filling provide proper woofer dampening for full base response. Display either vertically or horizontally. Tan grille cloth.

MODEL 816 (pair) Gold grille cloth \$59.95

MODEL 817 (pair) Fruitwood cabinet, paisley grille cloth 59.95

MODEL 818 (pair) Walnut, cane grille 69.95

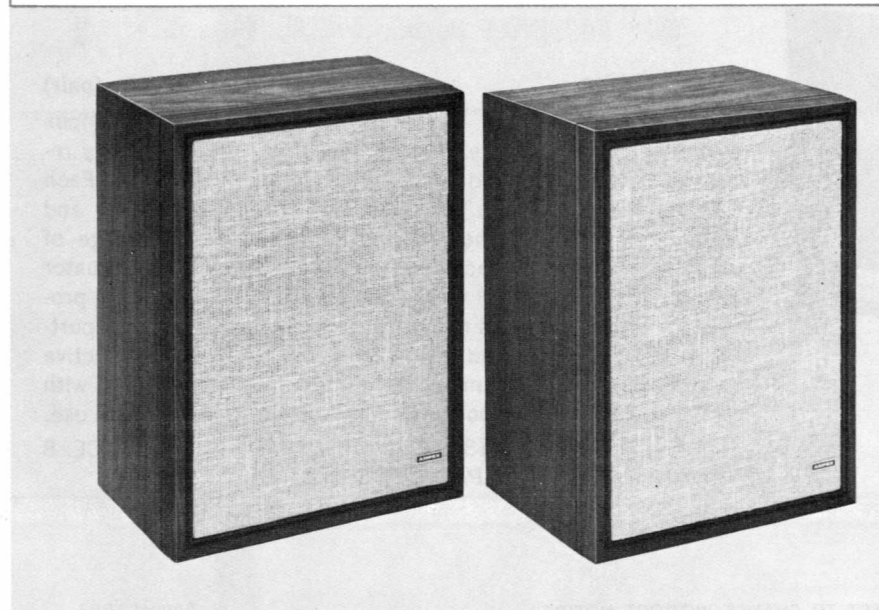

DIMENSIONS: 18" x 13½" x 7½"; IMPEDANCE: 8 ohms MAXIMUM CAPACITY: 15 watts.

MODEL 830 **\$99.95 (pair)**

Excellent sound from small, highly decorative speaker cabinets. Each enclosure contains an 8" acoustically dampened woofer and a 3½" direct radiator tweeter. Crossover is achieved at 1,500 cps. You'll marvel at the delightful sounds provided by these new Ampex speakers. Oiled walnut finish with accent trim panel. 15 foot cord allows up to 30 feet of stereo separation.

DIMENSIONS: 15¾" x 13½" x 8½"; IMPEDANCE: 8 ohms MAXIMUM CAPACITY: 10 watts

MODEL 915 **\$69.95 (each)**

Modestly priced, yet engineered and built with exacting care to the highest Ampex standards. Full performance features include an extended range 8" woofer and 3½" tweeter, matched to provide excellent frequency response from 50 to 15,000 cps. High-frequency contour control mounted on back. Infinite baffling of cabinet enhances system's bass response with extremely fine fidelity. Handcrafted oiled walnut cabinet with eggshell grille cloth.

DIMENSIONS: 18" x 13½" x 9½"; IMPEDANCE: 8 ohms MAXIMUM CAPACITY: 15 watts.
